INTRODUCING  
LLUMAR® PLATINUM  
PAINT PROTECTION FILM  
WITH HYDROGARD™ TECHNOLOGY

# LLUMAR® PLATINUM PAINT PROTECTION FILM

## WHAT'S NEW

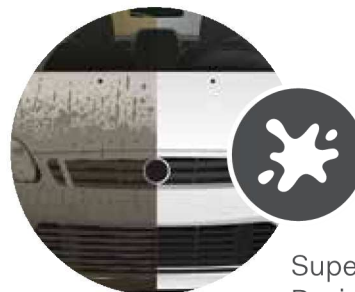

Superior stain resistance and enhanced durability are now available with LLumar's industry leading clear coat with **Hydrogard™** technology. This innovative hydrophobic polymer coating works by preventing water and dirt from embedding into the surface of the film, helping keep cars looking cleaner, longer.

**10 Year Limited Warranty**  
including labor allowance\*  
for a competitive advantage  
and customer peace of mind

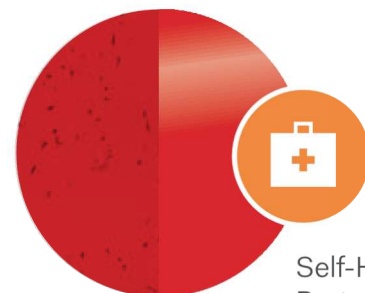

Advanced Water  
Resistant Surface for  
Increased Durability  
with **Hydrogard™** technology

Superior Stain  
Resistance  
against dirt, oil,  
tar and bugs
